Municipality of Wawa Civil Marriage Services

Policy

The Corporation of the Municipality of Wawa is committed to improving the quality of services and meeting the needs of its citizens. In keeping with this commitment, the Municipality is pleased to have the opportunity and privilege of issuing marriage licenses and providing civil solemnization services within the Municipality of Wawa. The civil marriage service provides economic benefit to the community, and attracts other persons to the community thus improving the quality of life for the local residents.

Authority

Ontario Regulation 285/04 amended the Marriage Act, R.S.O. 1990, Chapter M.3, by adding the following section:

- 1.1 For the purposes of subsection 24(1) of the Act, the Clerk of a local municipality is authorized to solemnize marriages under the authority of the license.

This authority is extended to designates who have been delegated the authority by the Clerk in accordance with Section 228 of the Municipal Act. Delegation of authority by the Clerk to perform civil marriage ceremonies shall be confirmed by Council by-law.

As outlined in Section 24(1) of the Marriage Act, R.S.O. 1990, Chapter M.3, a judge, justice of the peace or other person of a class designated by the regulations may solemnize marriages under the authority of the license.

Delegation of Authority

Under Section 228(4) of the Municipal Act, 2001, the Clerk may delegate in writing to any person, other than a member of council, any of the Clerk's powers and duties under this and any other Act. For the purposes of delegating authority for civil marriage solemnization, this policy limits the Clerk's ability to delegate subject to Council's approval.

Fees

The fee for service is payable at time of booking. The Municipality may charge a location fee, and travel expenses for a marriage held outside the Municipal Council Chambers.

Please note the Civil Marriage Service does not include the Marriage License Fee.

Legal Requirements

The Municipal Clerk, Deputy Clerk or designate will act as Officiant to solemnize the Civil Marriage Ceremony. The Civil Marriage Service will be a non-denominational and dignified ceremony, which adheres to the requirements of the *Marriage Act* for the Province of Ontario.

Civil Marriage Ceremony

Ceremonies, available in English (and French upon request), are simple and dignified and are conducted in the Council Chambers (or other location at the discretion of the Municipal Clerk) which provides an intimate and formal setting. The duration of the Ceremony would be approximately 30 minutes depending on the vows chosen. The service time booked would be approximately one (1) hour to allow for photo opportunities, signing of the Register, etc. If an interpreter is required, more time would be needed.

Civil marriages will be conducted by the Clerk or designate subject to their availability. The Clerk, in his/her, sole discretion shall

ensure the date/time/place that the civil marriage will be performed is appropriate.

It is recommended that ceremonies are booked in advance to allow for a pre-ceremony meeting at least three (3) days prior to the Ceremony. Same day service for a Civil Marriage Ceremony is possible provided a valid Ontario Marriage License is produced, the Council Chambers is vacant, an Officiant is available and a pre-ceremony meeting takes place prior to the ceremony.

To help make this important day as beautiful, dignified and intimate as possible, this package contains information to assist you with learning more about the Civil Marriage Service and planning your Ceremony.

Enclosed you will find:

a) Civil Marriage Ceremony Guidelines:

The guidelines provide answers to frequently asked questions with regard to Civil Marriages at the Town Hall.

b) Civil Marriage Ceremony Booking Agreement:

A booking is not confirmed until this Agreement is completed and returned to the Clerk's Office with full payment. The Municipality will accept a certified cheque, cash, debit credit (Visa, MasterCard, American Express, Discover Card) as well as Visa Debit cards.

The ceremony booking fee does not include the Marriage License. The Clerk or designate will issue a marriage license.

c) Pre-Ceremony Information Questionnaire:

This information will assist the Officiant and the Applicants to plan and coordinate the details of the Ceremony.

d) Sample Vows:

We have included several examples of vows which the Applicants may choose from including a simple vow and two options. There is a provision to allow Applicants to write custom vows for the service which can be inserted between the mandatory declarations required under the *Marriage Act*.

e) Our Facility and the Officiants:

Town Hall, Council Chambers, offer a quiet ambiance and intimate setting for your Civil Marriage Ceremony and includes the use of the Facility and Grounds for picture opportunities for the Applicants.

Bride on the Left and Groom on the Right.

Here's why grooms usually stand on the right and brides on the left during a ceremony.

Long ago, the right arm was considered the sword arm of most fighting men. If a man had to protect his bride, he would hold her with his left hand, and fight off attackers with his right arm.

The reason that men may have to fight off others was because quite often women were kidnapped. Family members naturally wanted to rescue the stolen brides. Sometimes even during the wedding ceremony, the grooms had to fight off other men who were desirous of their brides, along with the bride's family members. So having his right arm free was an important strategy.

This tradition is followed today when facing the officiant, having the bride stand to the left, and the groom stand on the right.

Another reason is that the union of the right hands of the bride and groom symbolizes their union as one, their strength in being together, and the combined resources that they bring to their marriage.

Majority of the couples today still choose to stand with bride on the left and the groom on the right. It is okay to go against traditional customs. If you would like to mix thing up, please feel free to stand on whichever side makes you feel most comfortable.

Marriage symbolizes the intimate sharing of two lives, yet this sharing must not diminish but enhance the individuality of each partner.

A happy marriage is one which is continually developing while growing in understanding of the other person.

By growing together in love, it is possible to share not only the joys of life, but the burdens of sorrow as well.

Option #6: Regular Ceremony with Personal Vows and Rings

SOLEMNIZER

This couple has come here today to be joined in marriage.

The essence of this commitment is the taking of another person in his or her entirety as a lover, companion and friend.

It is therefore a decision not to be entered into lightly but rather with great consideration and respect for both the other person and oneself.

..... and have invited us to share this celebration as they affirm their love before us, pledge their faith to one another and enter into the joys and privilege of marriage.

Love is one of the highest experiences we human beings can have and it can add depth of meaning to our lives.

The day to day companionship, the pleasures of doing things together or in doing separate things but exchanging experiences is a continuous and central part of what two people who love each other can share.

Marriage was established that two people might have life-long companionship, that natural instincts and affections might be fulfilled in mutual love, that children should enjoy the security of family life, love and home.

Marriage symbolizes the intimate sharing of two lives, yet this sharing must not diminish but enhance the individuality of each partner.

A happy marriage is one which is continually developing while growing in understanding of the other person.

By growing together in love, it is possible to share not only the joys of life, but the burdens of sorrow as well.

..... and, your marriage is intended to join you in a relationship so intimate and personal, it will change your whole being.

It offers you the hope and indeed the promise of a love that is true and mature.

To attain such love, you will have to commit yourselves to each other freely and gladly for the sake of a richer and deeper life together.

If any person can show just cause why they may not be joined in marriage, let them speak now or forever hold their peace.

Who gives this woman in marriage to this man? (wait for answer)
