NOTICE ARENA ICE INSTALLATION

Please be aware that the Municipality of Wawa is working to complete the following tasks prior to beginning the ice installation process for the 2019-2020 season. Their description and schedule is the following:

Arena Structural Inspection: Scheduled for September 9th - 11th

Repairs to High Pressure Ammonia Piping: September 9th - 12th
Please note that this date is tentative and will be confirmed

The period of ice install is therefore scheduled to occur between September 13th to September 27th, 2019, with the first tentative ice availability being Saturday, September 28th, 2019.

Municipal Staff will continue to provide the community with updates as work schedules are confirmed and tasks are completed.

We apologize for the inconvenience and thank the community for your patience and understanding in this matter.

Should you have any questions, please do not hesitate to contact the Department of Community Services and Tourism.
